

Can we make shaved ice with popular dessert flavor?

2020/6/18

Shaved ice –Green tea flavor-

◆ Recommended ingredients ◆

Shaved ice of pure water ice and.....

Green tea syrup

Swear bean jam

Condensed sweetened milk

Mochi balls

Powder sugar

Useful hint!

Using "cube ice shaver" to make crunchy shaved ice.
Put the shaved ice into any molds you like, and place it on a flat dish.
It gives you another impression compared to be served in a cup or a glass.
